

**Abid Dobani**

MD – Head of Portfolio Management, Execution & Strategy - Corporate Treasury

Abid Dobani is a Managing Director within RBC's Corporate Treasury, responsible for structural interest rate risk hedging alongside Canadian banking liquidity books. His group in Corporate Treasury is responsible for all the bank's interest rate (bond and derivative), FX, and equity hedging. Abid's group also manages part of the employee pension plan. He joined Corporate Treasury three years ago after a 14-year career in Capital Markets, where he started in the equity space (research and investment banking). He then worked in institutional fixed income derivative sales, and traded products from Canadian government bills to structured Australian credit in Toronto and Sydney, along with stints in London. Abid's alma mater is the University of Waterloo, where he graduated with a degree in Mathematics.
